ISFA 2017

Dear Colleagues and Friends,

On behalf of The International Society for Apheresis and the local Organizing Committee it is my great pleasure to invite you to Wonderful Copenhagen for the 11 th ISFA Congress in May 17-20, 2017.

At this time of the year the city shows its full charm and splendour and the venue, the Tivoli Hotel Congress Centre is centrally located to your benefit. The program will reflect the main flavours of Apheresis and provide the participants an excellent opportunity to meet and discuss top topics and the latest achievements. The social events will introduce you to Nordic culture, cuisine, museums and historical places, showing the proud history of Danes through the Ages. Copenhagen and the rest of the Kingdom of Denmark is an exciting place to explore; we hope you'll have a great and memorable visit.

Why Should You Support the ISFA 2017 Congress?

BRANDING:

It provides your business with unique marketing possibilities through the ISFA 2017 website, emails, newsletters, invitations, brochures, banners and merchandise before and during the congress.

NETWORKING:

It provides your business with ideal conditions for networking by creating informal spaces – in between sessions and at receptions, breaks and cultural events where you can meet e.g. with potential clients or decision makers within ISFA delegates.

DISPLAYING YOUR PRODUCTS OR SERVICES:

An exhibition stand at the congress increases the visibility of your business and offers an easy way to make possible clients come to you. All exhibition stands will be placed near the eating and drinking locations, common facilities and joint events to ensure the highest possible visibility and accessibility.

We look forward to see you all in Denmark for the 2017 ISFA.

Wladimir Szpirt
